**Notice of Correction to Material Description for Taper Screw Plug for Piping (Flush Plug)
SFT-PS**

Dear Valued Customer,

We hope you are doing well and appreciate your continued support of NBK.

We would like to inform you that an error has been identified in the material description for the Taper Screw Plug for Piping (Flush Plug), as detailed below.

We sincerely apologize for this mistake and hereby provide the corrected information.

Please note that this correction is limited to the material description only. There is no change to the product itself.

Your understanding and continued support of our products are greatly appreciated.

Applicable Products:

Taper Screw Plug for Piping (Flush Plug): SFT-PS

Correction:

The material description of the plug body has been corrected as follows.

Incorrect	Correct
S45C (Hardness: 32–42 HRC) Black Oxide Finish	SCM435 (Hardness: 32–42 HRC) Black Oxide Finish

The product has always been manufactured using SCM435. This correction applies only to the material description.

There is no impact on the product's performance, quality, or compliance with applicable laws and regulations.
