# FSP-V Scale Plates (Vertical Type)

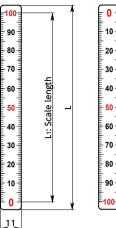

FSP-V-C-BK Center distribution

FSP-V-C

40 -30

Thickness: approximately 0.55 mm

- FSP-V (Background color: Silver) Multiples of 0 and 50 are red.
- FSP-V-BK (Background color: Black) All numbers are silver.

#### Material/Finish

	₩ KOLL
	FSP-V
Main Body	SUS304

- Vertical scale plate. Has adhesive tape to enable use simply by sticking to existing machinery and equipment.
- Convenient for conveyor line shaft adjustment or slide table positioning.
- Standardized 50/100/150/200 mm scale length.
- Made of stainless steel. It has excellent corrosion resistance.
- Corners are rounded. Doesn't come off easily.
- There are 3 types of scales. They can be selected by the symbol of the part number.

, , ,	
Symbol	Scale
Т	Zero Point at the Bottom
В	Zero Point at the Top
С	Center Distribution

• There are two color variations available. They can be selected by the end symbol of the part number.

End Symbol	Background Color	Scale / Numbers
No	Silver	Red/Black
ВК	Black	Silver

## Precautions for Use

- Use the scale of the **FSP-V** Scale Plate as a general guideline.
- Thoroughly remove oil and dust on the sticking surface before sticking.
- Avoid use in high-temperature/high-humidity environments, and do not leave moisture or oil adhered to the product. The scale part may peel off.
